PERSONAL PROJECTS

Social Media App

Tech Stack : Reactjs, Redux, React-router, MaterialUI, Firebase,

Link : <https://github.com/shubh2101/social-media>

- Developed a social media app with CRUD functionality.
- Implemented key features such as like, comment and bookmark to increase user engagement.
- Added the ability to visit users' profiles, follow and un-follow them, and search for specific users.
- Utilized Firebase as the back-end to enable real-time data storage and synchronization.

Food Order App

Tech Stack : Reactjs, CSS

Link : <https://github.com/shubh2101/Foody-app>

- Developed a responsive website that allows users to order their favorite meals.
- implemented the ability for users to browse a menu, add meals to their cart, and modify the contents of the cart to suit their needs.

Bankist App

Tech Stack : HTML, CSS, Javascript

Link : <https://github.com/shubh2101/Bankist-App>

- Developed a dynamic landing page based on modern front-end techniques, including lazy loading, smooth scrolling, and a sticky nav-bar, to provide a seamless user experience.
- Created a user-friendly slider and tabbed component that presents content in an organized and visually engaging way.

Great Quotes App

Tech Stack : Reactjs, Firebase, CSS, React-router

Link : <https://github.com/shubh2101/Great-quotes-router>

- Developed a quote adding app that allows users to add quotes, sort quotes, and add comments to a quote, using React.
- Utilized React Router to create separate pages for adding quotes and viewing all quotes.

Ping-pong Scorekeeper

Tech Stack : HTML, CSS, Javascript, Bulma

Link : <https://github.com/shubh2101/pingPong-scorekeeper>

- Developed a simple website that serves as a scorekeeper for ping-pong, featuring a tie-break system and a real-time scoreboard.
- It allows users to easily input and track scores, view game statistics.

SKILLS

Reactjs

Redux

Javascript

MaterialUI

Firebase

Nextjs

HTML5

CSS

Github

Git

Bootstrap

React Router

Nodejs

Express

MongoDB

VS Code

Bulma

COURSES

Reactjs : The Complete Guide (Udemy) - Maximilian Schwarzmüller

The Complete JavaScript Course (Udemy) - Jonas Schmedtmann

The Javascript Bootcamp course (Udemy) - Colt Steele

EDUCATION

B.Tech in Chemical Engineering 75%
(08/2014 - 06/2018)

University of Petroleum and Energy Studies, Dehradun

Class XII 84% (03/2012 - 03/2013)

Dungarpur Public School, Dungarpur (Rajasthan)

Class X CGPA 10 (04/2010 - 04/2011)

Dungarpur Public School, Dungarpur (Rajasthan)
